1.3 In the event of any conflict or inconsistency between the provisions of these Terms of Service and the provisions of any Proposal the provisions of the Proposal shall prevail.

2.1 By accepting our Proposal, you are entering into the Agreement. These Terms of Service apply to the Agreement to the exclusion of any other terms that you seek to impose or incorporate, or which are implied by trade, custom, practice or course of dealing.

2.2 The Proposal will set out the details of the Services to be provided by us, including descriptions of those Services, times and places for delivery, fees, expenses and our invoicing schedule.

2.3 We shall use reasonable endeavours to manage and complete the Services in accordance with

ALBERON LIMITED – TERMS OF SERVICE

- any applicable Specifications or Service Description in all material respects.
- 2.4 You acknowledge that if you have approved any Deliverable, we may rely on its suitability for the performance of the remainder of the Services and shall have no liability to you in relation to the suitability of any subsequent Deliverables based on the approved item. For example, if you approve a wireframe and we build a website to that wireframe, it is not open to you to claim that the arrangement of the website is unsuitable to the extent it accords with the approved wireframe.
- 2.5 We shall use reasonable endeavours to meet the performance dates specified in the Agreement, but any such dates shall be estimates only and time for performance shall not be of the essence of the Agreement.
- 3. Your Obligations**
- 3.1 You shall:
- 3.1.1 co-operate with us in all matters relating to the Services;
- 3.1.2 ensure that the scope of work in any Proposal is complete and accurately reflects your requirements; and
- 3.1.3 provide, in a timely manner, such data, information and facilities as we may reasonable request in order to provide the Services.
- 3.2 You warrant that all information, data and materials provided by you to us will be, to the best of your knowledge, lawful, accurate and complete in all material respects. You warrant that you are entitled to provide such information, data and materials to us without recourse to any third party and that our use of it for the purposes of the Agreement will not infringe the rights of any third party. You will indemnify us and hold us harmless at your own expense from and against any and all Damages suffered or incurred by us (including without limitation legal expenses) as a result of your breach of any warranty in this clause 3.2.
- 3.3 If you fail to perform any of your obligations as set out in the Agreement and as a result our performance of the Services is prevented or delayed, then:
- 3.3.1 we may without limiting our other rights or remedies suspend performance of the Services until you perform the relevant obligation; and
- 3.3.2 you shall reimburse us on written demand for any costs or losses sustained or incurred by us arising from your failure to perform.
- 4. Change Control**
- 4.1 Either party may at any time suggest a change to the Proposal (including any requirements for the Services or Deliverables set out in such Statement of Work).
- 4.2 We will provide a proposal ("**Change Proposal**") addressing any suggested change within a reasonable period (given the scope and size of the suggested change) of the suggestion of the change. If the change was suggested by you, we may charge for preparing the Change Proposal at our standard rates then in force.
- 4.3 A Change Proposal shall specify in relation to each proposed change:
- 4.3.1 any amendments which are to be made to the Agreement; and
- 4.3.2 any resultant changes in relation to the Fees payable for, or timelines for performance of, the Services (and if the effect of the change is to reduce any requirement for the Services, we reserve the right to continue to charge any applicable Fees (or accelerate payment) to reflect any resources wasted as a result of such reduction); and
- 4.3.3 any other relevant matters that in our view might assist you to make a decision regarding the Change Proposal.
- 4.4 You will within one week after receiving any Change Proposal either accept or refuse the Change Proposal in writing.
- 4.5 If you accept the Change Proposal, the Agreement will be deemed to be amended to the extent necessary to incorporate the accepted variations with effect from the date of acceptance, or another date agreed by the parties.
- 5. Acceptance Testing**
- 5.1 The parties shall agree which Deliverables will be subject to acceptance testing in accordance with this clause 5 and will use their best endeavours to agree acceptance criteria for each Deliverable within such timeframe as may be appropriate in the circumstances. The acceptance criteria shall be such as are reasonably required to show that the Deliverable materially complies with any agreed requirements or specifications in the Proposal (and if no specific criteria are agreed such material compliance shall itself be the acceptance criterion).
- 5.2 We will have conducted internal pre-installation testing of each Deliverable before providing it to you. You shall carry out acceptance tests within five (5) working days after provision of the

ALBERON LIMITED – TERMS OF SERVICE

- Deliverable, which we shall be permitted to observe.
- 5.3 If any Deliverable fails to meet the acceptance criteria, you shall, within five (5) working days from the completion of testing, provide written notice to this effect, giving details of the failure(s). We shall remedy the defects and/or deficiencies and the relevant test(s) shall be repeated within a reasonable time (and if necessary, repeated further if the defects remain unremedied).
- 5.4 If a defect in any Deliverable is attributable to your actions or input, our costs of remedying that defect shall be charged to you at our standard rates. For example, if our Deliverable fails to perform as expected because you have provided us with “junk data” as an input, then we shall charge for the costs of rationalising that data or otherwise addressing the defect.
- 5.5 We will use our best endeavours to ensure that each Deliverable is accepted within three (3) rounds of acceptance testing.
- 5.6 Acceptance of the Deliverable shall be deemed to have occurred on whichever is the earliest of:
- 5.6.1 your confirmation of acceptance in writing;
- 5.6.2 the expiry of five (5) working days after the completion of acceptance testing, unless you have given any written notice under clause 5.3;
- 5.6.3 the expiry of ten (10) working days after the date of delivery of the Deliverable if acceptance testing has not started, or has not been pursued with due diligence; or
- 5.6.4 the use of the Deliverable by you in the course of your business (including any Site going “live”).
- 6. Fees And Payment**
- 6.1 The Fees for the Services shall be set out in the Proposal, provided that where the Fees are based on standard rates we may update these rates from time to time.
- 6.2 You shall pay the cost of all hotel, subsistence, travelling, data acquisition, photocopying and any other ancillary expenses reasonably incurred by us in connection with the provision of the Services, and the cost of any materials or services reasonably and properly provided by third parties required by us for the supply of the Services (such as stock images or software plugins). Significant expenses and disbursements will either be identified in the Proposal or otherwise agreed with you in advance.
- 6.3 Fees may be calculated on a time-and-materials basis or a fixed-price basis.
- 6.4 If the Fees are calculated on a time-and-materials basis:
- 6.4.1 the Fees shall be calculated in accordance with our standard daily rates; and
- 6.4.2 the standard daily fee rates for each individual person are calculated on the basis of a 7.5 hour day.
- 6.5 If the Fees are calculated on a fixed-price basis then we may, acting reasonably, increase the applicable Fees if you request any change to the scope of the Services or if any change to the scope of the Services becomes necessary due to the failure of any assumption or dependency identified in our Proposal.
- 6.6 We shall invoice you for our Fees and expenses at such intervals or in such instalments as may be set out in the Proposal or, unless the Proposal provides otherwise:
- 6.6.1 quarterly in advance in relation to Support Services;
- 6.6.2 annually in advance in relation to Hosting and Security Update Services; and
- 6.6.3 monthly in arrears in relation to all other Services.
- 6.7 All invoices rendered are due and payable within fourteen (14) days of the date of invoice. You shall inform us in writing of any claim or dispute relating to an invoice within five (5) working days of receipt of the relevant invoice. You shall pay all amounts due under the Agreement in full without any deduction, set-off, counterclaim or withholding except as required by law.
- 6.8 Without prejudice to any other right or remedy, if you fail to pay us on the due date we reserve the right to:
- 6.8.1 charge you interest on the overdue amount at the rate provided by the Late Payment of Commercial Debts (Interest) Act 1998. Such interest shall accrue on a daily basis from the due date until the date of actual payment of the overdue amount;
- 6.8.2 take debt recovery action to recover the sums due, in which case you shall meet all our costs of taking any such action; and
- 6.8.3 suspend all Services (and as applicable “take down” or restrict access to any relevant Site) until payment has been made in full.
- 6.9 All amounts payable by you are exclusive of amounts in respect of VAT, which you will pay where applicable.

ALBERON LIMITED – TERMS OF SERVICE

- 6.10 We may, without prejudice to any other rights we may have, set off any liability you have to us against any liability we have to you.
- 7. Third Party Software**
- 7.1 The use of the Deliverables may require the use of Third Party Software (particularly if the Deliverables are built on, or modifications to, Third Party Software). Certain Deliverables which comprise developments or modifications of Third Party Software may also be subject to licence terms imposed by the proprietor of the relevant Third Party Software. While we will identify relevant Third Party Software to you in the Proposal and/or specification, it is your responsibility to ensure that you will comply with the terms of any Third Party Software included within the Deliverables. Examples of this include, but are not limited to: Open Source Software, CMS Plugins, Googlemaps and RSS feeds.
- 8. Intellectual Property Rights**
- 8.1 As between the parties, all intellectual property rights in all Deliverables shall be owned by us (except those elements of the Deliverables solely comprising materials provided to us by you). We hereby grant to you a worldwide, non-exclusive, royalty-free licence under our rights in such Deliverables solely to the extent necessary for you to use such Deliverables for your internal business purposes, provided that you shall comply with all applicable laws and regulations, and any applicable third party licence terms, in respect of your use of such Deliverables.
- 8.2 You shall indemnify us, keep us indemnified and hold us harmless at your own expense from and against any and all Damages suffered or incurred by us as a direct or indirect result of any claim or allegation by a third party that our possession, use, modification or adaptation of any materials provided to us by you or on your behalf in accordance with the terms of the Agreement, or any content uploaded by you to any Site, infringes the Intellectual Property Rights of that third party.
- 8.3 We shall indemnify you, keep you indemnified and hold you harmless at our own expense from and against any and all Damages suffered or incurred by you as a direct result of any claim or allegation by a third party that your use of the Deliverables in accordance with the terms of the Agreement infringes the Intellectual Property Rights of that third party (except to the extent such claim is attributable to the use in the Deliverables of any materials or content provided to us by you or on your behalf or any Third Party Software).
- 8.4 In relation to the indemnities given in clauses 8.2 and 8.3, the indemnified party shall:
- 8.4.1 promptly notify the indemnifying party in writing with details of any relevant claim;
- 8.4.2 not make any admission in relation to the claim;
- 8.4.3 allow the indemnifying party to have the conduct of the defence or settlement of the claim; and
- 8.4.4 give the indemnifying party all reasonable assistance (at the indemnifying party's expense) in dealing with the claim.
- 9. Warranty**
- 9.1 Subject to clause 9.4, we warrant that any software Deliverables we provide to you will as at the date of their acceptance in accordance with clause 5, and for a period of three (3) months thereafter (the "**Warranty Period**"), perform in accordance with any applicable Specification in all material respects.
- 9.2 Subject to clause 9.3, if you notify us of any material failure of a Deliverable to perform in accordance with its Specification (a "**Defect**") within the warranty period, we will use reasonable endeavours to remedy the Defect within a reasonable period of time and at no further charge to you. If we fulfil our obligations under this clause 9.2 we shall have no further liability to you in relation to the relevant Defect.
- 9.3 We will have no obligation to remedy any Defect:
- 9.3.1 if the Deliverable has been modified by any person other than us;
- 9.3.2 if any person has attempted to remedy the Defect by any means other than normal recovery or diagnostic procedures; or
- 9.3.3 which is attributable to the use of the relevant Deliverable in combination with any software or product whose use has not been recommended in the Proposal or Specification; or
- 9.3.4 which is attributable to any patches or upgrades to, or other modifications of, any third party software or product with which the relevant Deliverable interfaces,
- but we may at our option do so subject to the payment of our fees on a time-and-materials basis at our standard rates.
- 9.4 We do not warrant that any Third Party Software will be free from Defects. As between you and us, all Third Party Software is provided "as is" and is used at your risk. You acknowledge that the only warranties in relation to the Third Party Software are those contained in the applicable licence from the third-party proprietor.

ALBERON LIMITED – TERMS OF SERVICE

- 9.5 Except as specifically stated in the Agreement, all warranties, conditions and other terms implied by statute or common law, custom, trade usage, course of dealing or otherwise, in connection with our provision of the Services or with any Deliverable, are excluded to the fullest extent permitted by law. In particular, we do not warrant that any software we develop or provide will be compatible with any operating system or other software other than those identified in the Specification nor that any such software will be immune to any form of malware, computer virus or other harmful code or secure against attack.
- 10. Liability**
- 10.1 Nothing in the Agreement excludes our liability:
- 10.1.1 for death or personal injury caused by our negligence;
- 10.1.2 resulting from fraud or fraudulent misrepresentation made by us; or
- 10.1.3 for any other matter for which liability may not lawfully be limited or excluded.
- 10.2 Subject to clause 10.1:
- 10.2.1 we shall not be liable to you, whether in contract, tort (including negligence or breach of statutory duty), indemnity, misrepresentation, restitution or otherwise under the Agreement or in connection with its subject matter for:
- a) any loss of business, loss of agreements or contracts, loss of data, loss of anticipated savings or depletion of goodwill (in each case whether direct or indirect); or
- b) any indirect loss of profits or any other special, indirect or consequential loss, costs, damages, charges or expenses howsoever arising; and
- 10.2.2 our total aggregate liability in contract, tort (including negligence or breach of statutory duty), indemnity, misrepresentation, restitution or otherwise for any other damages arising in connection with the performance or contemplated performance of the Agreement shall be limited to the value of the Fees paid for the Services (excluding expenses, materials and disbursements) during the six months preceding the date on which the event or occurrence giving rise to liability occurred.
- 11. Confidentiality**
- 11.1 Each party shall keep in strict confidence all information of a confidential nature which has been disclosed by the other, or which may otherwise be obtained. Each party shall only disclose such confidential information of the other party to their employees and contractors who need to know it for the purpose of the Agreement under appropriate conditions of confidence.
- 11.2 You acknowledge and agree that any Deliverables provided by us to you as part of the Services are (except to the extent they are by their nature intended for display to the public) confidential to Alberon Limited.
- 12. Data Protection**
- 12.1 If we process any personal data on your behalf when performing our obligations under the Agreement, you will be the data controller and we will be a data processor (“**personal data**”, “**data controller**” and “**data processor**” in each case having the meaning given in the Data Protection Act 1998) and:
- 12.1.1 you agree that the personal data may be transferred to or stored by our hosting service providers within the European Economic Area in order to carry out the Services;
- 12.1.2 you will ensure that you are entitled to transfer the relevant personal data to us so that we may lawfully use, process and transfer the personal data in accordance with the Agreement on your behalf;
- 12.1.3 you will ensure that the relevant third parties have been informed of, and have given their consent to, such use, processing, and transfer as required by all applicable data protection legislation;
- 12.1.4 we will process the personal data only in accordance with the terms of the Agreement and any lawful instructions reasonably given by you from time to time; and
- 12.1.5 each party will take appropriate technical and organisational measures against unauthorised or unlawful processing of the personal data or its accidental loss, destruction or damage (which in our case shall include any such measures described in the applicable Service Description).
- 13. Dispute Resolution**
- 13.1 If any dispute arises in connection with this Agreement, the parties’ respective representatives shall, within fourteen (14) days of a written request from one party to the other, meet in a good faith effort to resolve the dispute.
- 13.2 If the dispute is not resolved at that meeting, the parties will attempt to settle it by mediation in accordance with the CEDR Model Mediation Procedure. Unless otherwise agreed between the parties, the mediator will be nominated by

ALBERON LIMITED – TERMS OF SERVICE

CEDR. To initiate the mediation, a party must give notice in writing (“**ADR notice**”) to the other party requesting mediation. A copy of the request should be sent to CEDR Solve. The mediation will start not later than thirty (30) days after the date of the ADR notice.

- 13.3 No party may commence any court proceedings in relation to any dispute arising out of this Agreement until it has attempted to settle the dispute by mediation and either the mediation has terminated or the other party has failed to participate in the mediation, provided that the right to issue proceedings is not prejudiced by a delay.
- 13.4 Nothing in this condition 13 shall prevent either party from seeking urgent injunctive relief.

14. Termination

- 14.1 Without limiting our other rights or remedies, we may terminate the Agreement by giving you thirty (30) days’ written notice.
- 14.2 Without limiting your other rights or remedies, you may terminate the Agreement:
- 14.2.1 in connection with any support or hosting Services, by ninety (90) days’ written notice); and
 - 14.2.2 in connection with any other Services, by thirty (30) days’ written notice.
- 14.3 Without limiting its other rights or remedies, either party may terminate the Agreement with immediate effect by giving written notice to the other party if:
- 14.3.1 the other party commits a material breach of any term of the Agreement and (if such a breach is remediable) fails to remedy that breach within fourteen (14) days of receipt of notice in writing to do so; or
 - 14.3.2 the other party becomes insolvent or bankrupt, enters into administration, ceases to trade or takes any step or suffers any occurrence of equivalent or similar effect.
- 14.4 If you terminate this Agreement in whole or in part under clause 14.2, then during the applicable notice period:
- 14.4.1 we shall continue to provide the relevant Services or, as agreed with you, cease to provide or “wind down” the relevant Services as appropriate; and
 - 14.4.2 you shall continue to pay all applicable fees for the relevant Services as if they had been provided in full (regardless of whether or not they have in fact ceased or been “wound down”) up until termination.

14.5 All payments payable to us under the Agreement shall become due immediately on its termination, without limiting our other rights and remedies.

14.6 Termination of the Agreement, however arising, shall not affect any of the parties’ rights and remedies that have accrued as at termination. Clauses 1, 7, 8, 9, 10, 11, 12 (to the extent we continue to process any relevant personal data), 13, 14.5, 14.6, 21, 15 and 16 shall survive termination of the Agreement, however arising.

15. Non-Solicitation

You shall not during the term of the Agreement nor for a period of six (6) months following its termination, offer to employ or engage or otherwise entice away from us any person employed or engaged by us. Nothing in this clause shall prevent you from offering to employ or engage any person who has merely responded to a public advertisement of the relevant role without any other approach or solicitation having occurred.

16. General

- 16.1 Neither party shall be in breach of the Agreement nor liable for delay in performing, or failure to perform, any of its obligations under it if such delay or failure result from events, circumstances or causes beyond its reasonable control.
- 16.2 You may not assign, transfer, subcontract or deal in any other manner with any or all of your rights or obligations under the Agreement.
- 16.3 The Agreement constitutes a contract for the provision of services and not a contract of employment.
- 16.4 Any notice or other communication given to a party under or in connection with the Agreement shall be in writing and addressed to the receiving party at such address or contact details as may have been provided by that party from time to time for contact purposes.
- 16.5 If any provision or part-provision of the Agreement is or becomes invalid, illegal or unenforceable, it shall be deemed modified to the minimum extent necessary to make it valid, legal and enforceable. If such modification is not possible, the relevant provision or part-provision shall be deemed deleted. Neither case shall affect the validity and enforceability of the rest of the Agreement.
- 16.6 A waiver of any right or remedy under the Agreement or law is only effective if given in writing and shall not be deemed a waiver of any subsequent breach or default. No single or partial exercise of any right or remedy shall prevent or restrict the further exercise of that or any other right or remedy.

ALBERON LIMITED – TERMS OF SERVICE

- 16.7 Nothing in the Agreement is intended to, or shall be deemed to, establish any partnership or joint venture between the parties, constitute either party the agent of the other, or authorise either party to make or enter into any commitments for or on behalf of the other.
- 16.8 A person who is not a party to the Agreement shall not have any rights to enforce its terms.
- 16.9 Except as set out in these Terms of Service, no variation of the Agreement, including the introduction of any additional terms and conditions, shall be effective unless it is agreed in writing and signed by both parties.
- 16.10 Subject to clause 13, the Agreement, and any dispute or claim arising out of or in connection with it or its subject matter or formation (including non-contractual disputes or claims), shall be governed by, and construed in accordance with the law of England and Wales and subject to the exclusive jurisdiction of the courts of England and Wales.
- 17.4.1 we may take such action as we reasonably determine to restore the Site (including by moving the Site to an alternative server); and
- 17.4.2 we will, after the restoration of the Site, issue to you a reimbursement for each whole day of downtime or unavailability calculated on a pro rata basis by reference to the annual or monthly fee payable for our hosting services. Such reimbursement shall be your sole and exclusive remedy in relation to the downtime or unavailability of the Site.
- 17.5 We will not be responsible for any downtime or unavailability of the Site which is attributable to:
- 17.5.1 any planned or unplanned maintenance;
- 17.5.2 any Force Majeure Event;
- 17.5.3 any breach by you of any terms of the Agreement;
- 17.5.4 our, or our sub-contractor's, deliberate suspension of the Site having determined that: i) its continued availability threatens the security or performance of any other servers or networks (for example if your Site is subject to sustained DDOS or other attacks); ii) your use of the Site is in any way unlawful; or iii) you are otherwise in material breach of the Agreement.

Hosting and Security Update Services

The provisions of clauses 17 to 21 inclusive will apply where we have agreed to host the Site on our servers.

17. Hosting, Availability and Downtime

- 17.1 We will use reasonable endeavours to provide the Hosting Services in accordance with the applicable Service Description during the Service Period (including as applicable in relation to SSL). If your use of the Hosting Services exceeds or is likely to exceed the agreed Service Description (for example if the Site will require additional disk space or bandwidth) then we will agree a variation to the Agreement with you to address the additional requirement and increase the applicable Fees (and if no such variation can be agreed we shall have no further obligation to provide the Hosting Services to you).
- 17.2 You acknowledge that the Site is made available over third party internet and communications networks and we will not be liable in relation to any delays, limitations or other problems inherent in such networks. We do not warrant that the Site's availability will be uninterrupted or error-free. Without limiting the foregoing we will not be liable for any downtime or unavailability of the Site lasting less than twenty-four (24) hours.
- 17.3 We may reboot servers from time to time as part of the process of applying Security Updates, during which time the Site may be unavailable. We will usually do this at night and will not normally notify you when we do this.
- 17.4 If the Site is down or unavailable for more than twenty-four (24) hours, then subject to clause 17.5:
18. **Your Use of the Site**
- 18.1 You will ensure that:
- 18.1.1 any personal data collected by you through or in connection with the Site, whether or not it is hosted on the Site is lawfully collected and processed;
- 18.1.2 any transactions and advertising you conduct through or in connection with the Site are in all ways lawful; and
- 18.1.3 the Site, any materials you upload to the Site, and any sites or materials to which any link on the Site resolves do not infringe any applicable laws, regulations or third party rights (and in particular are not obscene, defamatory, threatening, liable to incite racial hatred or acts of terrorism, menacing, constituting a breach of confidence or contempt of court, or infringing any third party Intellectual Property Rights);
- 18.1.4 you, and as applicable any of your users, will keep any password and/or account details issued by us or created by you or them in connection with the Services secure and confidential. For example, you may have passwords and accounts for the use of content management systems, or for

ALBERON LIMITED – TERMS OF SERVICE

FTP or cPanel access, in relation to our hosting of the Site. You must notify us of any security breach or unauthorised access to any password-protected account;

18.1.5 without limiting 18.1.4, you will comply with any additional terms and conditions we may issue in relation to cPanel or FTP access where we permit you such access.

18.2 You acknowledge that we have no control over any content placed on the Site by visitors and do not monitor the content of the Site (except to the extent such monitoring is included in any support offering comprised in the Services).

18.3 You shall indemnify us against all Damages, suffered or incurred by us as a result of your breach of clause 18.

19. **Backups**

19.1 We (or any third party data host appointed by us) will follow back-up and archiving procedures in relation to data comprised in the Site and hosted by us in accordance with our back-up policy. If there is any loss of or damage to such data which is attributable to our breach or negligence, your sole and exclusive remedy will be for us to use reasonable endeavours to restore the lost or damaged data from the latest back-up.

20. **Security Updates**

20.1 We will supply and apply Security Updates within a reasonable period after their release.

20.2 We are not otherwise obliged to update or maintain any software relating to the Site unless we have expressly agreed to do so as part of our support and maintenance offering or otherwise in the Proposal.

20.3 We are not responsible for and will have no liability to you in connection with:

20.3.1 any defects in Security Updates; or

20.3.2 any inability to apply Security Updates which is attributable to major changes in the relevant content management system, module, extension or plugin; or

20.3.3 the unavailability of any suitable, current version of any Security Update.

21. **Migration and Data Clearance**

21.1 Your access to the Site and to any other data in our possession relating to the Services shall cease upon termination of the Agreement. We will, if requested by you, and subject to the payment by you of the relevant additional Fees:

21.1.1 provide you with migration assistance services (for which we will charge up to £295 plus VAT) to assist in the transfer of the Services to any replacement provider, including closing down any hosting Services we provide to you, removing files relating to the Services from our systems, and, where relevant, exporting data to you in an agreed format and medium; and/or

21.1.2 provide you with a copy of the Site in an agreed format and medium (for which we will charge such additional fee as may be agreed).

21.2 We will retain copies of the Site and any relevant data (in each case as at the date of termination) for a period of (2) months after the termination of the Agreement, and thereafter will destroy or otherwise dispose of any such copies or data in our possession.

Support Services

The provisions of clauses 22 to 23 inclusive will apply where we have agreed to provide additional support services in relation to any Site.

22. **Incidents**

22.1 In this section an “**Incident**” is a material defect or error in the Site, including any failure of the Site to perform in accordance with any Specifications;

23. **Out of Scope**
